### ROMAN COBBLE® FISHSCALE® PATTERN KIT

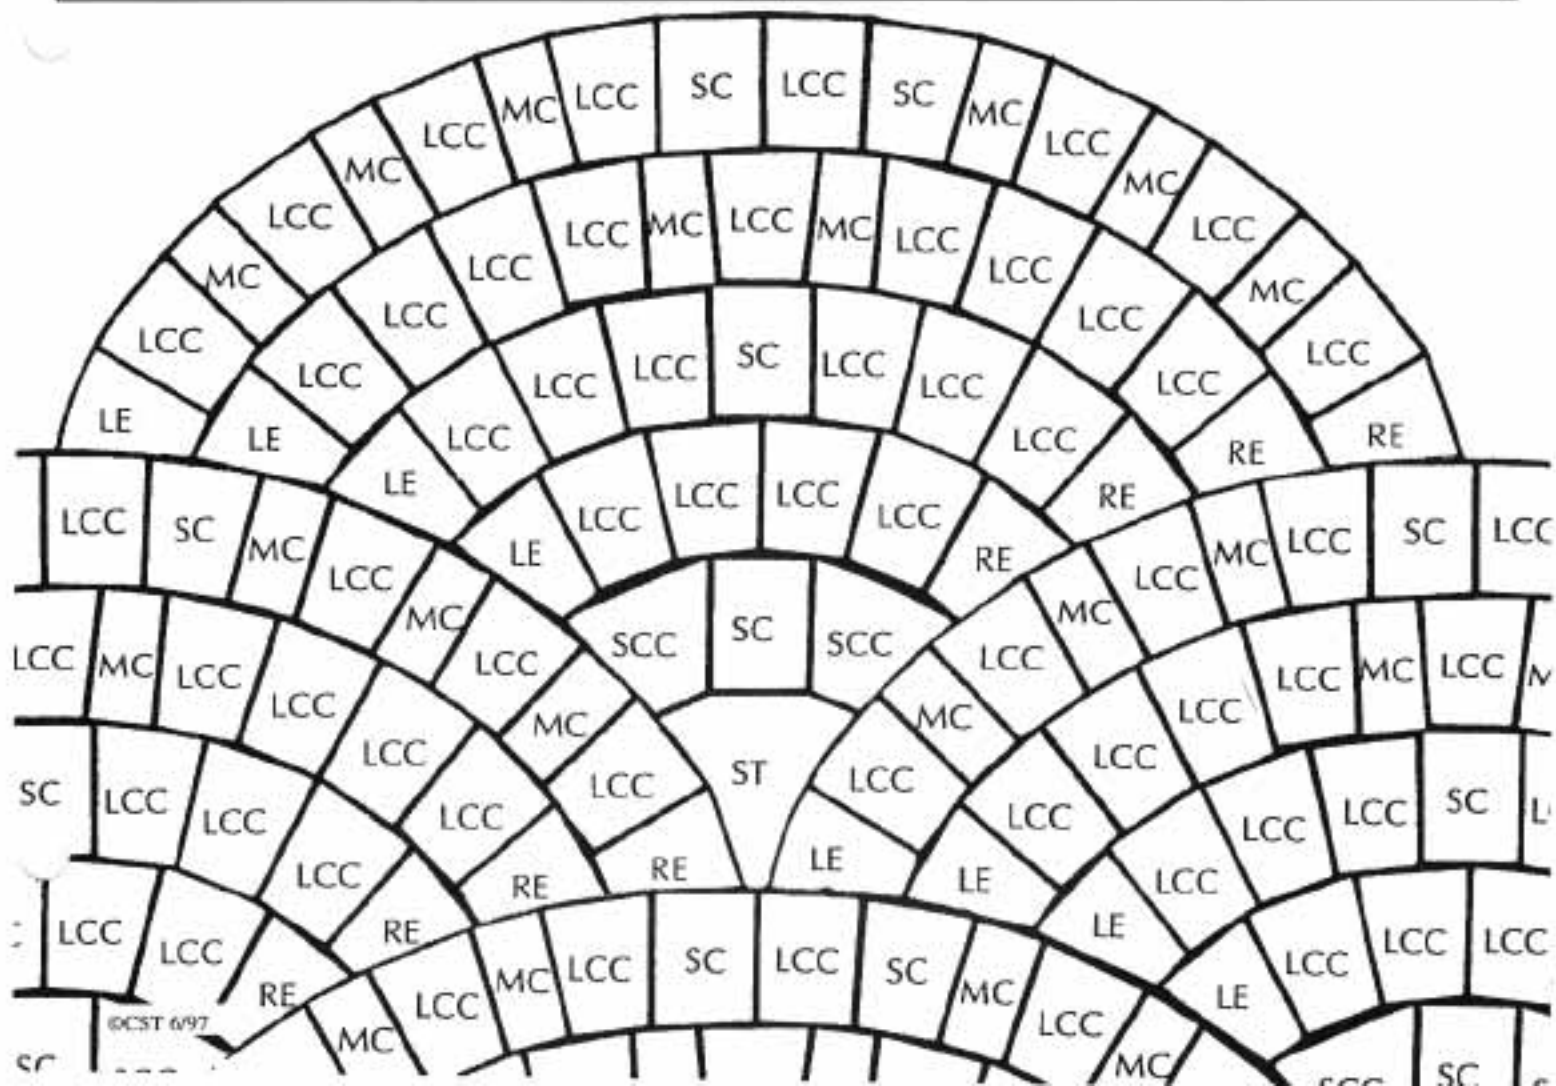

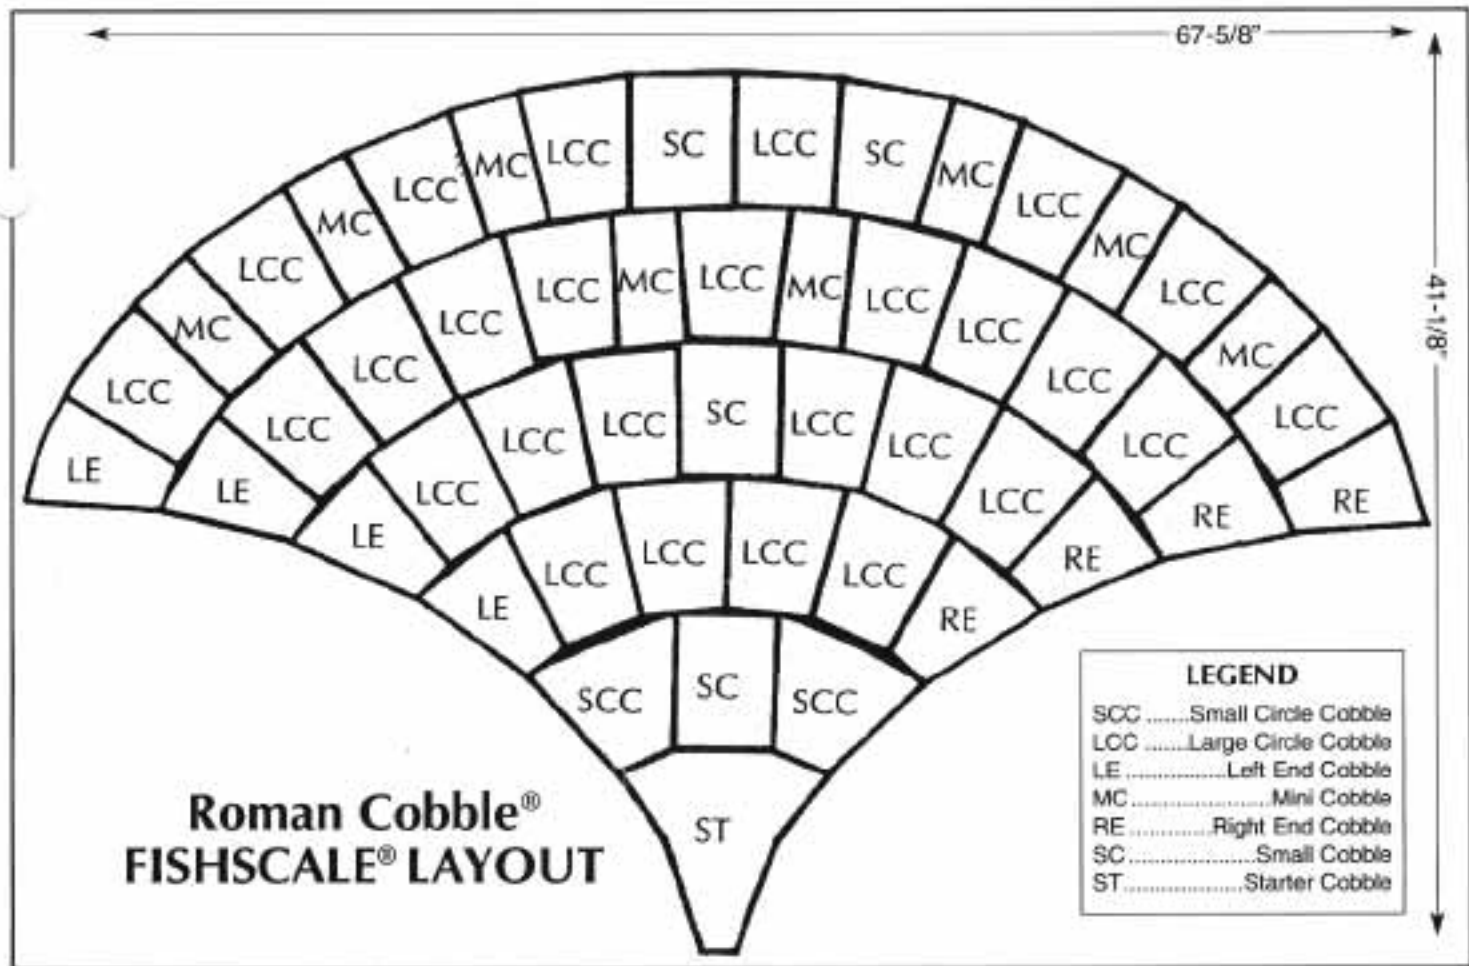

APPROX COVERAGE (1 Fan) .....9.75 SQ.FT.

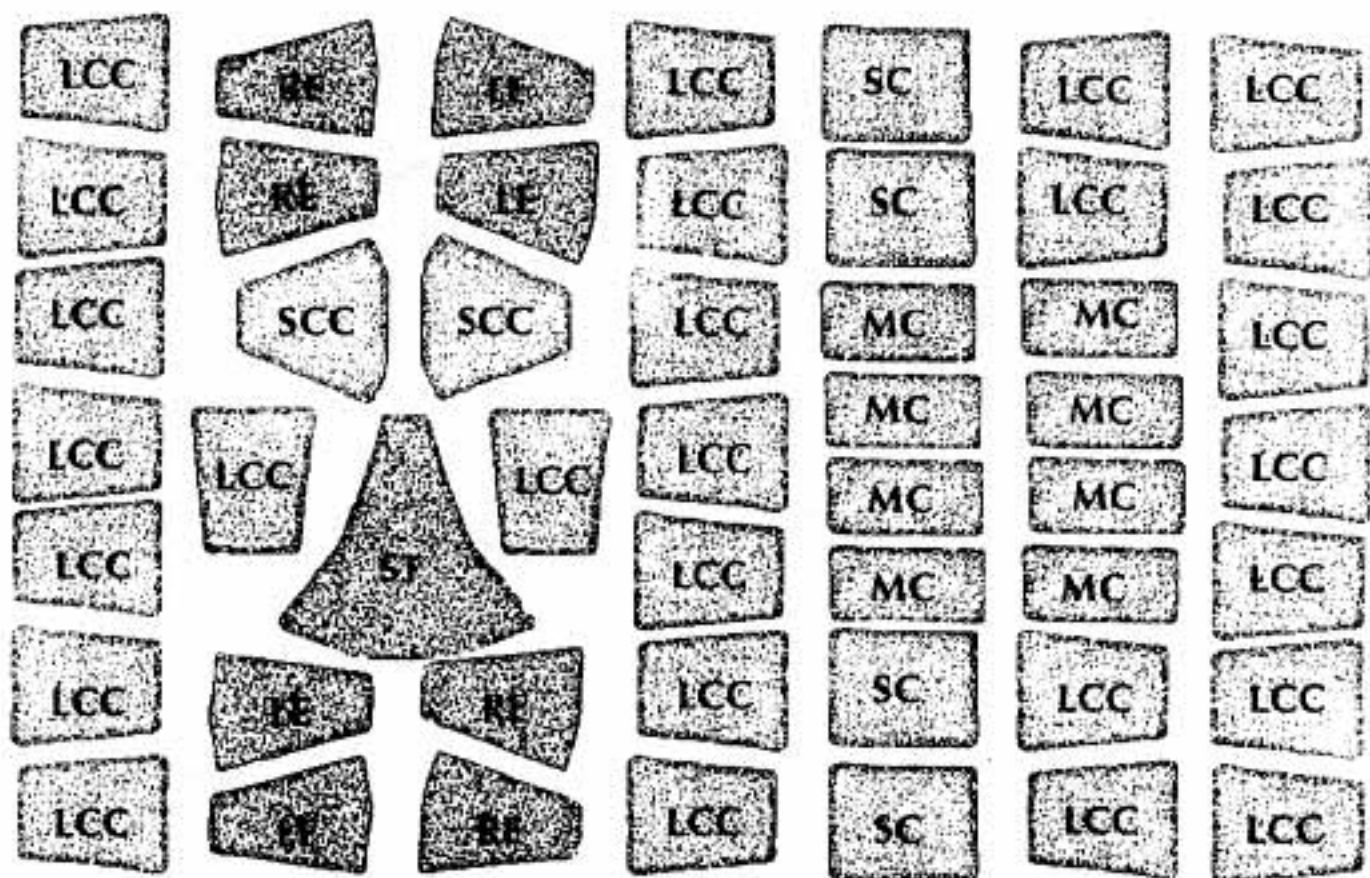

FANS PER CUBE .....6

COVERAGE PER CUBE .....58.5 SQ. FT.

NOTE: 1 Layer = 1 Fan

Fishscale® Kit Patent #'s 5, 163, 777  
Design Patent #'s 348, 739

Each Roman Cobble® Fishscale® pallet contains enough material to install six (6) Fishscales (see diagram preceding page). During installation, the use of a string line will help to assure correct positioning of each Fishscale®.
